Hanoi, October 31, 2022

Mr./Ms.

Dear Mr./Ms.

The Vietnam Chamber of Commerce and Industry (VCCI) would like to cordially invite you to the Workshop on the Foreign Investment Screening Instrument, which will be held on November 16th 2022 at VCCI Conference Hall, 7th Floor, VCCI Building, 09 Dao Duy Anh Street, Dong Da District, Hanoi. Please find attached the agenda.

Viet Nam is presently implementing a foreign investment attraction strategy that attaches greater importance to the quality, effectiveness, technology spillover, and environmental sustainability of foreign direct investment projects, which is enshrined by the Central Party's Resolution No. 50/NQ-TW dated August 20, 2019 defining orientations for refining regulations and policies to enhance quality and efficiency of foreign investment into Viet Nam by 2030.

To contribute to realizing this strategic orientation and supporting provincial authorities to improve the selection of foreign investment projects, VCCI and the United Nations Development Program (UNDP) have collaborated to develop a foreign investment screening instrument for provincial governments' use. The instrument is developed basing on current legal regulations and practices in Viet Nam, and international practices.

We will be honored by your attendance.

Sincerely,

A handwritten signature in blue ink, appearing to be 'Dau Anh Tuan', written in a cursive style.
